VA Illiana Accepts Medal of Honor Plaque

Bloomington, IL — VA Illiana Health Care System leadership accepted a plaque honoring military veterans who have received the Medal of Honor. The plaque was donated by the McLean County Memorial AMVETS Post 270 and presented at the VA community-based outpatient clinic on December 17.

“There are several people from central Illinois who have received the Medal of Honor. We wanted a way to acknowledge them and recognize their unique service,” said Art Rodriguez, AMVETS district IV commander.

The plaque will be displayed in the Bloomington CBOC.

“We are grateful for this generous contribution from AMVETS to the VA Illiana health care system. It is a wonderful way to honor all of those from our communities who have received the Medal of Honor,” said Dr. Staci Williams, medical center director.
